Coaches please follow the following procedures to enter your roster:

*We will be using Athletic.net for registering this year. Please follow these steps when entering:

1. Here is a link that AthleticNet has available with very detailed instructions.

<http://www.athletic.net/Help/CrossCountry.aspx?Meet=194642>

2. Be aware that the entry deadline to list your players will be **Tuesday, September 7th at 1:00**, the deadline time is listed as eastern time and not central, so please don’t wait until the last minute.

We are using Pickle Events and disposable timing tags for all races this year.

*****IMPORTANT NOTICES*****

We will be using disposable timing tags this year. The timing tags will not have to be returned. The tags will be attached to the back of the bib assigned to each athlete. The bib must be visible on the front torso and cannot be bent/crumpled in anyway, which would damage the antenna on the bib. Failure for an athlete to follow these procedures will result in no time being recorded for that athlete.

No Runners will be allowed to walk the Golf Course until 3:15 pm. Please make sure that your coaches help to reiterate this request to their teams. We are fortunate to be able to use Montgomery National Golf Course for this wonderful event and it is imperative that we respect their rules/guidelines. Thank you for your help and support in making this an exciting event for our participants!
